1. The entraining of military units in the Dessau-Koethen-Stendal area between 23 and 26 October 1951 has been reported from Berlin. The entraining of units in the Halle area between 26 and 30 October was reported from the same source.*
2. On 31 October, heavy vehicle traffic coming from the direction of Reinsdorf was observed in Jueterbog. The vehicles, which were loaded with billeting equipment, bombs and ammunition boxes, belong to the Ground Attack regiment at Reinsdorf.**

25X1A

The activities in the first area are apparently connected to the end of manoeuvres of the Third Shock Army there. The entraining activities in the Halle area apparently include components of the 21st Guards Mechanized Division, parts of the Fourth Artillery Corps and small units of the Third Shock Army.

25X1X

*** Comment: It is possible that the Ground Attack regiment stationed at Weindorf has been moved. The destination of the vehicles could not be determined.
